## Your Pharmacy, Personalized.

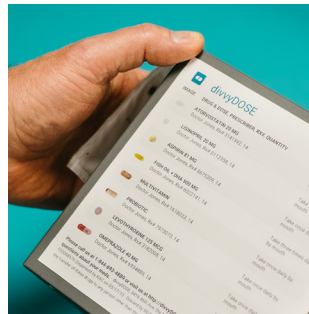

### Medications are Confusing

We all know taking medication isn't exactly fun. Sorting out pills, fumbling with bottles, and remembering dosages can make things even worse. Our goal is to take all the confusion and frustration out of the process and help you focus on your health and wellness.

### Pre-Sorted Packs

Our divvyPACKS - personalized, pre-sorted, individual packs with your **medications, vitamins**, and any **over-the-counters** - will be shipped to your doorstep every four weeks.

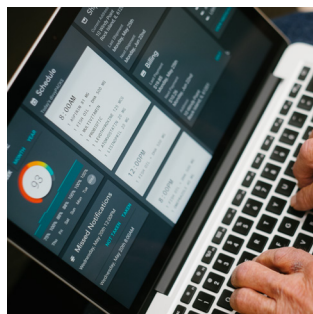

### Easy & Clear

Each box comes with easy-to-understand labeling and a wallet-sized card with all your medications. We **coordinate refills** and guarantee delivery of all medications **on time, every time**. Most major **insurance plans** are accepted.

### Online Tools

Easy-to-use website and **mobile app** allow you or your caregiver to track deliveries, refills, set alerts, reminders, and have access to your medication list at **any time**.

### Talk to Real People

24/7 friendly support. We're here for you.

### Just a Better Way

Let us take the burden of sorting pills, dealing with doctors for refills, and worrying about sorting your medications correctly. We give you that time back with your loved ones.

All this and more at **NO ADDITIONAL COSTS.**
